SHERWOOD PARK RINK WINS DRAYTON VALLEY LADIES' OPEN

Forty-eight rinks took part in a very successful Annual Ladies' Open Bonspiel held in Drayton Valley last week. The bonspiel started Friday and wound-up with the finals Sunday evening.

Winner of the Grand Challenge and the Pembina Pipeline Trophy was the Emma Lien rink of Sherwood Park. Second event was won won by Barb MacKenzie's Drayton Valley rink.

A Devon rink, skipped by Leona Anderson, won the third event and Marlene Samis of Drayton Valley the fourth.

Visitors Aggregate was won by the Lien rink and the local aggregate by the Samis rink. Consolation was won by the Irene Kuefler rink of Drayton Valley.

Howard Cathrea presents the Pembina Pipeline Trophy to the Lien rink of Sherwood Park, winners of the Grand Challenge event in the Drayton Valley Ladies' Open. Members of the rink from left to right, are, Emma Lien, Mary Knon, Germaine Marshall and Jean Stannard. (More Photos Page 8)

Rotary District Governor Reg Pierce (R) is shown here receiving a memento of his visit to the Drayton Valley Club from Rotarian Howard Pickup (L) with Club President Bob Mayhew watching the presentation.

Rotary Governor Urges Participation

During a recent visit here last week Rotary District Governor Bishop Reg Pierce of Peace River urged Drayton Valley Rotarians to get the most out of club membership by active participation. Fullest satisfaction comes, he said, from active participation in the club, its work, building the community and the international undertakings of Rotary.

Bishop Pierce was paying his annual visit to the Drayton Valley Club and was the guest of honor at a Ladies' Night held in the Cardium Room last Thursday evening.

He was critical of the hippie approach to living -- watching idly as the world goes by -- and suggested a need to find a useful purpose in life. Rotarians, he said, have found that purpose and have banded together to help their fellowmen.

Successful Rotary achievements, he said, are co-operative ventures by the clubs concerned and he called for wholehearted support of the Drayton Valley membership in the undertakings of the club.

Following the dinner meeting he heard reports from committee chairman on club organization and projects.

He was impressed with the community undertakings of the club that include operation of the Scout Hall, the childrens' playground, youth travel programs, the Christmas hamper project and other occasions when the club offered help to people in unfortunate circumstances.

He suggested, however, that the club endeavour to take on a Rotary project on an international scope as well as continuing to work in the community. International projects include training young people, or providing help in a variety of ways in developing nations.

ICE CARNIVAL TO BE HELD MARCH 22nd

The theme of this year's Ice Carnival is Holiday Capers. A huge cast of skaters will take the spectators through a year of holidays.

The opening number will depict New Year's Day with the New Year's baby while the closing number will portray a New Year's Eve ball. In between are Valentine's Day, Dominion Day, November 11th and many more. There will be solos, duets and trios as well as group numbers. A group of six skaters from Edmonton have been invited to perform at this year's show.

Costumes for the varied program are new and different.

Two shows will be presented by the Figure Skating Club, one at 2:00 p.m. and the other at 7:30 p.m. on March 22nd. The Carnival Queens will be introduced at the afternoon performance with the crowning ceremony to take place in the evening.

Proceeds from the show will go to the Boy Scout Organization.

Gymkhana Clubs Plan Rally at Hinton this Year

A meeting of the Northwestern Alberta Gymkhana Club was held recently at the home of the Mestons at Violet Grove. Twenty-six members representing clubs from Evansburg, Lindale, Hinton, Thorsby, Edson and Drayton Valley were present. Duffield, Bluffton and Winfield clubs were not represented at the meeting.

Improvements were made in the present set of rules and everyone spent about two hours in friendly conversation discussing changes and generally getting better acquainted.

It was decided that the 1969 N.A.C. Rally Day would be held in Hinton on August 10th with the Big Horn Saddle Club of Hinton being the host club.

400 Entries for Edmonton Show

There's a strong list of leading Alberta beef cattle herds represented in entries at the 1969 Canadian Western Stock Show and Sale, March 23rd to 28th in Edmonton.

This year's event has attracted 11 polled Hereford females, 196 horned Hereford bulls, 9 Shorthorn females, 49 Shorthorn bulls, 3 Aberdeen Angus females and 66 Angus bulls.

SOARING MILLRATES REPORTED; TOWN HOPES TO HOLD LINE

While soaring millrates face a number of western communities the Drayton Valley Town Council has expressed the hope of holding the town rate at last year's 75 mills.

Drayton Valley's position will not be made clear until the school requisition is received but at last Thursday's meeting members of the Town Council felt that any increase would only be in the neighborhood of one or two mills, compared to an increase of 15 in Edson for unapproved school costs.

Representatives from Edson, Hinton and Wildwood have already met to protest the proposed increase that would cost each Edson homeowner about $50.00. The increase would bring Edson's millrate to 86 and Hinton 81.

The extra 15 mills would be added to the nearly 20 mills for "unapproved" school costs in 1968's budget. The extra requisition is over and above the "foundation" program which asks for 28 mills plus from municipal taxpayers for school purposes.

When originally announced by the provincial government several years ago the formula was purported to solve the inequalities experienced by property owners in some parts of the province. Previously there had been "equalization" and other grants to help hold down property taxes in regions where "disparity" in assesment exists alongside a swelling population.

The first "unapproved" requisition amounted to only a few mills but the Manning government established the principle of this extra requisition and the burden has increased through the years to the point where the "unapproved" school costs in Edson School Division would appear to be in the neighborhood of 35 mills for 1969. Higher than the basic "foundation" requisition.

The meeting between the representatives of the three communities was pessimistic about any real cut in school costs but planned to meet the divisional board for further consideration of the budget. This was considered as the first step before some "drastic" measure is taken; which is understood to be some sort of ultimatum to the Provincial Cabinet, where it is felt the blame for the situation lies.

P.O. REFUNDS

Early in January 1969 an announcement was made about increasing post office lock box rentals, commencing with rentals due February 1st, 1969. In many cases patrons had already paid their box rental in advance at the old rate.

In any instance where payment was made by a boxholder at the former rate, and who subsequently paid an additional amount upon being notified of the increased rates, the issuance of an official receipt for the original payment will be regarded as constituting a valid contract.

A refund equal to the additional amount paid will be made to all boxholders concerned.

Recreation Program Seba Meeting Topic

The County of Parkland recreation program will be the subject of an important meeting to be held at 8:00 p.m. on Monday, March 17th in the Seba Beach High School.

Recreation Director Syd Moore will address the meeting that has been called by the Students, Teachers and Parents Association.

A large representation of people from the surrounding area is urged to be on hand for this meeting to learn about recreation proposals for the district. It is also pointed out that a show of interest might have a bearing on the allocation of funds for recreation purposes.

The meeting concerns the whole area not just the immediate Seba Beach region, and residents of surrounding communities are urged to attend.

Chamber Meeting

Regular monthly meeting of the Drayton Valley and District Chamber of Commerce will be held in the Cardium Room at noon on Thursday, March 13th.

Student Council Adopts Eleven Year Old Girl

In November, 1968, the FMHS Students' Council decided to adopt a Foster Child through Doctor Graham's Homes of Kalimpong, India. Doctor Graham's Homes, situated in the picturesque foothills of the Himalayas, operates under the cottage system and provides love, education, health and Christian training for over 600 destitute Eurasian and Anglo-Indian children. Of these, 275 are sponsored by Canadians, and of this number, over half are sponsored by Canadian High Schools.

Carol Howe, an 11 year old grade four student, is the adopted child of FMHS. Customarily, the students of FMHS would have received an introductory letter from Carol when the Students' Council began supporting her; but a disastrous flood in October left many of the cottages without water, and because of this, some of the cottages were closed. The children of these cottages were invited to spend the long Christmas Holidays with friends of the

Carol Howe

Homes in Calcutta. However, the secretary of the Canadian Council advised FMHS that Carol should be able to correspond by February.

In order to raise funds for the support of Carol, ($10 a month), various activities have been sponsored by the FMHS Students' Union.

It is the hope of the FMHS Students' Council, that this project is continued for a long time yet to come.

LIGHT AGENDA FOR COUNCIL MEET

A smaller than usual agenda was covered by Town Council at a meeting in the Council Chamber last Thursday afternoon.

The subject comfort station was again introduced and after discussion it was decided that the Secretary-Treasurer will contact all service clubs, fraternal organizations, the Chamber of Commerce, the Retail Merchants Association and the County of Parkland with a request that delegates attend a meeting for the purpose of discussing and reaching a decision on this matter that has been subject of considerable discussion during recent months.

The suggestion was also made that an information and tourist centre be considered in conjunction with the comfort station proposal and this will also be brought up at the combined meeting.

Council approved the summer figure skating school to be held in the Centennial Arena from June 30th to August 24th. The skating school will be followed by a one-week hockey school.

The sale of residential lots to Bruce Block and Wayne Jones was authorized and the necessary by-laws passed.

The business licensing bylaw again received the attention of Council. Several business places have protested the new bylaw that raised fees in most instances and it was decided the bylaw should be studied by the finance committee before revision is attempted by the Council.

Farmers Take Part in Hog Grading Excercise

The Alberta Livestock Co-operative Association of Entwistle issued an invitation to all interested hog men to attend a meeting held in the Entwistle Community Hall on Monday, March 3rd at 1:00 p.m. Approximately seventy farmers were in attendance to hear Mr. Ken Phannmuller explain the new grading system for hogs which is based on measurements provided by the back fat probe.

Mr. Phannmuller is with the Department of Agriculture. Also present were two District Agriculturists. They were Mr. Earl Lowe of Stony Plain and Mr. Gary Miller of Evansburg.

After the lecture in the hall, the group moved to the Alberta Livestock Co-operative buying station at Entwistle where Mr. Phannmuller gave a demonstration of the back fat probe using live pigs as specimens.

Six pigs were then selected for judging. Everyone present was given a card on which to mark his idea of the score of the pigs as to weight and grade. The cards were collected by Mr. Lowe The six pigs were taken to Edmonton where they were slaughtered.

On Thursday, March 6th, half of each pig was brought back to Entwistle where a government grader explained why each pig was placed in its particular grade. Each farmer who marked down his idea of the score was able to view his card to see how his grades compared with those given in Edmonton.

Coffee and doughnuts were served to everyone present.

EDITORIAL COMMENT

Turn Off the Water?

A request by the Town of Drayton Valley to the Provincial Government for payment of business licenses for the Treasury Branch and the Alberta Liquor Store brought a refusal to pay with the comment that the government does not pay such licenses in other communities.

Why should the government get away with refusing to pay its share of the facilities it uses in this community? Other business places are required to pay a share of maintaining streets, providing water and sewer services and all the other services, why not the government?

Smaller communities across the province have very limited fields of direct taxation and should not be denied the business license pittance from provincial facilities that appear to be keeping their heads above water.

Let's Do Something About It!

"It's not surprising that literally hundreds of village residents are furious at what they consider discriminatory treatment by the Post Office Department in doubling rates for Post Office Lock Boxes.

"So are residents of other small communities throughout Canada, who have been refused door-to-door mail delivery by Postmen and instead must troop to the Post Office to pick up their mail . . . and pay extra for the privilege.

"The very principle of the charge for the boxes in itself is wrong . . . if the small-town resident can't expect delivery of his mail to his home, then the least he can expect is to have it placed in a box at the Post Office where he can pick it up . . . without further charge.

"Instead, the latest edict from Postmaster General Eric Kiernans doubles the already-discriminatory charge.

"Postal services should be made to pay their way. Few will argue with Mr. Kierans on this point. But nobody . . . and we mean nobody . . is going to convince us that it costs more to provide a few hundred boxes in a small-town Post Office than it would to hire two or three or four full-time postal employees to deliver the mail house-to-house as it is done in large communities.

"If we sincerely believe the charges . . . and especially the new doubled charges . . . to be discriminatory and unfair, then it's up to us in our little community . . . together with others in similar small towns throughout Canada, to raise hell and tell our elected representatives and our federal government how we feel. It's a clear case of discrimination, and a case where Chambers of Commerce, Village Councils, union groups and just plain individuals should hound their Member of Parliament and their government, and demand either a justification for the move or more equitable arrangement.

"Residents of small communities are getting the short end, and there's no reason why they should.

"So, let's do something about it."

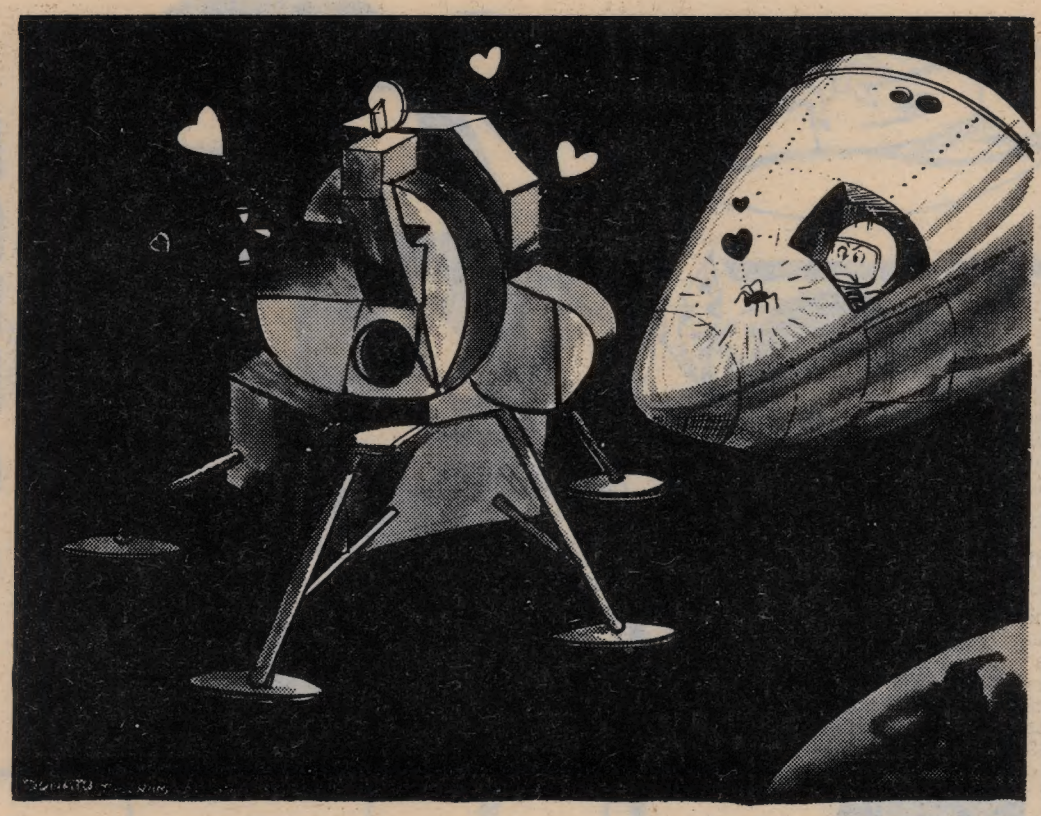
Sorrowfully, the little boy looked up and down the street then said to the policeman at the corner, "Sir, did you see a lady go by without me?



Legislature Report

BY RALPH JESPERSEN, M.L.A.

This week in my report on the Budget, in order to cover as much as possible, I will propose some questions, and then give some answers.

How much is the Budget?

The total revenues in the Budget are estimated at $949,199,000.00, while the total expenditures are estimated at $979,312,000.00 for a deficit of $34,113,000.00.

Have we had deficits in our Budgets in the past years while the Social Credit Government was in charge in Alberta?

Yes, quite a number. May I refer to the Budget of 1949-1950, twenty years ago; to 1959-1960 ten years ago, and then to our present Budget. Total estimated revenues for 1949-1950 were $64,232,000.00 while total expenditures were estimated at $66,659,000.00 for a deficit of $2,427,000.00 or a 3.17% deficit. Total estimated revenues for 1959-1960 were $261,279,000.00, while total expenditures were estimated at $309,676,000 for a deficit of $48,397,000 or an 18.52% deficit. As indicated above, the forecast deficit this year is $34,113,000.00 or a 3.60% deficit.

Did all the deficits forecast in these Budgets really occur?

No. In the two decades 1940-1960, eighteen deficits were forecast, yet deficits occurred in one year only.

Are there any tax increases in this year's Budget?

Yes. Personal income tax will be increased by 5 percentage points, corporation income tax increased by one percentage point, and a new tax on tobacco products.

What will these increases mean in 1969?

To a single person grossing $5,000 a year, it will mean an additional tax of some over $14 for this year. A married person with two dependents grossing $5000 a year will mean an additional tax of something over $7 for this year.

The corporation tax will be increased from the present 10 percentage points to 11.

The tobacco tax will mean an additonal 8 cents on a package of 25.

Was there any tax removed?

Yes, the three cent tax on farm fuels was removed.

In what Departments will there be the largest increases in expenditures?

In the Department of Education an increase of approximately $32,000,000; Department of Health there will be an increase of approximately $17,000,000; Treasury Department increase of approximately $32,000,000.

How are the expenditures of the Budget divided?

Education 31.39%, Highways 9.58%, Public Works 7.58%, Social Development (Welfare) 6.93% Health 21.63 %, All other Departments 22.62%.

Why is our Budget in Alberta so much larger on a per capita basis than other Provinces?

In Alberta, we include all our Capital Expenditures for the year in our Budget and pay for that expenditure in that fiscal year, a pay as you go policy. In other Provinces, the capital expenditures spread over a number of years. The estimated Capital Expenditure in our Budget for 1969-1970 is $145,348,467.00.

Where will we get our Revenue?

From our Natural Resources - $283,539,000.00, or 30.09% of our entire revenues; Government of Canada $150,331,335.00 or 16.31% of total revenues; Income Tax $172,500,000.00, or 17.99%; Fuel Oil Tax and Auto Licenses $100,421,500.00, or 10.66% of total revenues. The remainder of our revenue comes from all other sources such as liquor tax, tax sharing arrangements, subsidies and so on.

Is it possible that the forecast deficit in this Budget may not actually occur?

Yes, there is that possibility. In last year's budget, it was estimated that there would be a deficit of $70,458,000.00. There is every indication now that this will be reduced by 20 to 30 million dollars, so if the same trend continues, it could be that at the close of this next fiscal year there would be no deficit since the forecast deficit is $34,193,000.00.

Agricultural Society Names New Officers

Twenty-two members and one guest, Mr. Gary Miller, District Agriculturist, were present for the annual meeting of the Wildwood and District Agricultural Society held at the home of Mr. and Mrs. L. Gerrard on February 12th.

Officers elected for the ensuing year include: President, Mr. L. Gerrard; 1st Vice President, Mr. A. Ditner; 2nd Vice President, Mr. M. Mazzepa; Publicity Director, Mr. C.B. Pugh; Secretary-Treasurer, Mrs. A.C. Vankosky; Assistant Publicity Director, D. Vankosky.

Directors of the society are: Mr. and Mrs. C.B. Pugh, Mr. and Mrs. G. Chittick, Mr. and Mrs. E. Vankosky, Mr. and Mrs. M. Bruner, Mr. and Mrs. R. Gettson, Mr. H. Wheele, Mr. and Mrs. B. Hutchinson, Mrs. M. Gerrard, Mr. and Mrs. G. Vankosky, Mrs. Carlson, Mrs. A. Russell, Mrs. M. Hanson, Mrs. A. Kalinowski, Mrs. D. Kostuik, Mr. M. Mazzepa, Mrs. M. Payne and Mrs. G. Akers.

The fair book was discussed and and it was decided to have it printed if sufficient advertising could be obtained to help offset costs. Volunteers will undertake canvassing for advertising in the districts of Mayerthorpe, Wildwood, Evansburg, Entwistle, Edson and Drayton Valley. A committee meeting was planned for further work on the fair book.

The society voted in favor of a $25.00 contribution toward the 4-H Rally that was held later in the month at Evansburg.

The meeting concluded after a short talk by District Agriculturist Gary Miller on the type of entries required for an agricultural fair.

He expressed the hope that the society would stress the participation of young people and also promised his support and assistance for any winter project the group might be considering.

Mrs. Mabel Bryant spent most of the week in the Drayton Valley hospital with Strep Throat. She may spend a few days with her son Gordon who lives in Drayton Valley after she is out of the hospital.

Mr. and Mrs. George Draves and family and George's father Nelson Draves visited with Nora Dombrosky last weekend.

Philip Scheideman is out of the hospital now after about a week there. He is to take it easy for some time to come.

Mr. Tom Ewashko was killed in an accident one half mile from his home on March 3rd. He was driving on the road, had just gone down a hill when a car came from behind and the driver had not seen him. The road was icy and the car hit the tractor. He was dead at the site. A propane truck coming behind took to the ditch and upset, it was several hours before everything was cleared away.

Honor and Tony Byrne of Edmonton with their family spent the weekend with Mr. and Mrs. LeGrand. Honor won the ladies' prize at the whist drive and Eddie Bacon won the men's prize.

Lydia Greenhough and their two little boys spent the weekend with her mother Mrs. Margaret Scheideman of Duffield while Bill was in Calgary.

Betty Strassburger is out of the hospital and is gaining strength.

Viola and Ken Porter took Jacque into Edmonton to visit friends on Sunday, a belated birthday dinner for Jacque.

Donna Porter is home from the University for a few days.

NOTES FOR NURSES

The February 12th meeting of the Drayton Valley Chapter of the A.A.R.N. had 8 members in attendance to discuss business of the group and listen to parts of the tape on "Law and the Woman".

It was noted that a sum of $250 was made available to Ward Two of which we are now a part. This sum was to assist someone to go to the I.C.N. in Montreal in June 1969.

No one from this area volunteered to stand as a nominee for election to the North Central District. It is hoped that other centres in this ward, (Jasper, Edson, Hinton, Mayerthorpe and Whitecourt) had a willing candidate. If not this ward will not have a representative in the North Central District.

Listening to highlights of the tape "Law and the Woman" made the members more aware of the conditions surrounding estate planning and gift distributions.

Due to other committments our guest speaker for March will not be able to come until March 19th. As her topic is "The Status of Women", we are inviting all hospital employees as well as nurses to come to the meeting on March 19th at the Nurses Residence. Let's find out what out "status" is as a woman and what it may be!

Parkland Council Minutes

Cont. from Page 9

The recommendations of the Committee, contained in the report, were as follows:

1. The Committee recommends building a new shop double the capacity of the existing one for public works with an additional woodworking area, on the land on which the County office is situated.

2. The Committee recommends that any transactions from the shop be done in the name of the County.

3. The Committee recommends that another licensed mechanic be employed in the spring.

4. The Committee recommends that any employee purchases must be made in the name of the person and not in the name of the County.

On motion of Councillor Bailey it was agreed to advertise for one (1) licensed mechanic and further to accept only items 2 and 4 of the report.

EVANSBURG NEWS

MRS. M. BRUNER
Correspondent

Beautiful sunshiny weather is the order of the day as I write this news report and I have a certain feeling that if this weather keeps on, most of us will have an attack of spring fever soon. However, since it is so early in the season, there is sure to be more of the cold weather yet to come.

Taking advantage of the almost warm weather, Mr. Krasoski, our Cub Master had his Wolf Cubs out for a ski-doo party recently. The boys, almost all of them there, met at the community centre where the owners of ski-doos were there to give them a long ride for fun and pleasure. Also, to combine the new with the old, Ted Bruner was on hand with his pony and cutter to give the boys an old fashioned horse and cutter ride. In these days of progress a horse drawn vehicle is almost a novelty and some of the Cubs had never seen such a thing. The boys finished off their afternoon with hotdogs and cocoa dispensed by a few Cub mothers and all went home happily.

Mr. and Mrs. MacGowan, residents of the village celebrated their Golden Wedding Anniversary recently. Although Mr. MacGowan was ill and in the hospital at the time, two of their daughters, Marie, Mrs. Melvin and Dorothy, Mrs. Veitch were able to be with their parents for the occasion. An anniversary cake was baked and photos were taken of Mr. and Mrs. MacGowan at the Drayton Valley hospital. They were married at Red Deer on February 24th, 1919. Mrs. MacGowan was the former Clara Falkenberg of Castor. They lived in Castor for several years and in 1937 moved to Evansburg where they have made their home ever since. They have four boys and three daughters, and most of the family are living in different parts of the province and country. Governor General Michner and Premier Strom sent certificates of congratulations and many friends called to offer their congratulations. Mr. MacGowan is still hospitalized but Mrs. MacGowan was recently able to attend the wedding of her granddaughter, Pat, daughter of Mr. and Mrs. Bud MacGowan at Calgary. Pat was married to Jerry Caine and this happy couple will make their home in Calgary after a honeymoon in Hawaii.

At their last meeting, the Ladies' Auxiliary presented Mrs. MacGowan with a gift and also held a small party to honor her Golden Anniversary. Mrs. MacGowan has been an Auxiliary member for many years.

Due to a fault discovered in the arena, the weekend's activities and the official opening of the rink has been delayed indefinitely.

The firemen held their regular meeting recently to finalize their plans for the Firemen's Ball to be held on March 14th. Tickets are being sold in advance and a few are left, if anyone is interested in attending this dinner dance, perhaps some of the firemen will still have a ticket or two available.

B and F Sales, John Deere dealers, held their annual John Deere Day on February 28th. They showed a film, of interest to most farmers, served coffee and doughnuts and also had a draw for several door prizes. Following are the winners of the prizes: Roll guard - Joe Rosadiuk, Evansburg; Two sets of wrenches-Alan Namchuk, Tomahawk and Ervin Fetzer, Evansburg; Grease gun - John Waddell, Magnolia; The lady winners were Set of dishes-Mrs. A. Jensen, Evansburg; Sewing basket-Mrs. A. Namchuk, Tomahawk; Bathroom clothes hanger- Mrs. Kazlauskas, Evansburg; Pyrex casserole bowl- Mrs. Andy Rosadiuk, Evansburg. About one hundred and seventy-five adults and some children attended to make a crowd of over two hundred.

The Senior hockey players travelled to Drayton Valley recently where they played the Cynthia Coyotes. The score for the game turned out 24 to 5 in favor of Evansburg. Well done, boys.

And another win for the Evansburg boys, this time in the basketball league, is the fact that the senior high boys have won the league chmpionships in a recent tournament played at Hinton. These boys are to be congratulated too.

Of interest to those children in Grades four, five and six, and living around Evansburg, is the fact that Mrs. DeJong has informed me that she is starting a Happy Hour Bible Club. This Club is opened to anyone in the above mentioned grades to attend and will begin on March 19th at 4:00 p.m. in the Evansview School. Club meetings are to be one hour long and for further information contact Mrs. DeJong at 727-3971.

The children involved in the 4-H clubs were busy recently practising for the Council Rally held at the high school auditorium on the 28th. Twelve clubs participated in this rally of skits, fun and laughter. An estimated crowd of over three hundred attended as participants and viewers. Judges for the rally were Mrs. Weist, Miss Jenkins and Mr. Mann. All were presented with a letter opener for their co-operation. The winning club this year was the Entwistle Clothing with their skit, The Perfect Meeting, Almost. Coffee, pop and doughnuts were served, free, after the entertainment and if someone missed out on the doughnuts, it was due entirely to an underestimation of the number who would attend this event.

For this weekend, for those wishing entertainment, there is to be a drama night held at the high school auditorium, sponsored by the Students' Union, on the 13th. The 4-H meeting is on the 14th and the Firemen's Ball is also on the 14th for the grownups.

ROCKY RAPIDS

It's nice to see Hank Romanchuk, Inga Frost and Grace English on the mend and home from hospital.

Mr. and Mrs. H. Townsend and family motored to Onoway on Sunday to spend the day with Melvin Townsend's family.

Mrs. Margaret Mattoon and Lynn flew to Calgary last Thursday to see her Dad who celebrated his 85th birthday on March 5th.

The friends of Mrs. Mary Reynolds will be pleased to know that she is well enough to spend a few days at the home of Mr. and Mrs. H. Louth.

WEEKLY VIEWPOINT

A series of brief meditations for the readers of The Western Review prepared by the clergy of the Drayton Valley Ministerial Association.

The Broad Way and the Narrow

BY REV. ZEKE MARTIN

Last week we ended our presentation in these words: "When young people look at the church and it's programme today they are not made to feel that Christianity is a creed for heros or that to embrace it means living dangerously". To make this meaning clear let us, if we may, use a slang expression. We would say in these days that religion has very little "kick" in it. It scarcely gives an offense. As a rule, it is much too timid to make it's influence felt outside it's own immediate sphere. On most public occasions it shows itself overanxious to placate and accommodate the community, the state and the world at large. It is not organized as a fighting force nor is it attacking with high hearted confidence in its own superior powers the battalions of evil. The man on the street has little reason to think that Christianity is a straining and strenuous enterprise or that Christians are a company of people committed to the turning of the world upside down with a view to setting it right side up.

But that was the general impression of Christianity and of Christians in the first century. It meant something then to be a Christian and it cost something. No one from A.D. 30 to A.D. 313 thought of Christianity as a comfortable religion or of dismissing it as so much dope. In the general mind, it was associated with effort and enterprise, with persecution and tribulation. It was a creed for heroes; it put men on their mettle; it tested all their powers of endurance. It set them hard tasks, confronted them with perplexing problems, matched them against apparently superior odds. The first Christians however, were persuaded that their faith was absolutely necessary to the welfare and salvation of mankind. It was something to live for, to fight for, and if need be, die for. The enemy was not a power to be circumvented, outwitted or ignored, but a power to be ceaselessly and relentlessly attacked, and attacked right out in the open. Civil life in the early days was comparatively secure and tranquil, but there was one danger spot, namely the Christian church. Join that and one took the risk of being thrown to the lions. To that circumstance may be traced in no small measure the phenomenal growth of the church in these early centuries. The church became a center of attraction for heroic souls and as such conquered the world of that day.

When the voice of the church-whose head is Christ - becomes compelling again; when the church's strategies become less timid and stereotyped and more venturesome and courageous; when its social conscience is keener; when church membership costs something, not only in cash, but in time and labour-and yes - in reputation but not in character, it will once again become a center of attraction for heroic souls. That it will become such again there can be no doubt.

Nurses' Meeting

Monthly meeting of the A.A.R.N. will be Wednesday, March 19th at 8:00 p.m. in the Nurses Residence. Guest speaker, Mrs. Wheatley - on Status of Women. All hospital employees invited to attend. Lunch will be served.

The Red Cross has received the Nobel Peace Prize four times.

Anglican Church Women Hold Regular Meeting

All Saints A.C.W. met in the Parish Hall on Wednesday, March 5th. There were eleven members present. We were very pleased to welcome Mrs. Wilma Gordon into our group.

The meeting opened with prayers and devotions by Mrs. D. Kreycik. The Chapter of our Study Book which was presented by Mrs. W. Hammerlindl, entitled "How And Why We Acquire Prejudice" was studied and discussed at some length, and proved very interesting.

Mrs. Joan Ingram and Mrs. Mary Ibbotson reported on meetings that they had attended in the community regarding Social Services and Welfare, those two ladies have agreed to be our representatives on these committees.

Mrs. Marion Palmer, who is a member of the Diocesan Mission Board reported that she has received correspondence from Dr. Richard Mitchell, who comes from Hamilton, Ontario and who at present is a Volunteer Mission Worker under the Provincial Medical Board of the Church of Uganda. He mentioned various ways in which our church groups could supply necessary items to help equip church hospitals in his area.

Annual A.C.W. meeting will be held in Edmonton on March 24th and 25th and as many members as possible are urged to attend.

The final arrangements were made for the St. Patricks Tea and Bake Sale, all members and ladies of the Parish are asked to bring items of baking for the Bake Table and everyone is cordially invited to attend, on March 15th, Saturday from 2 p.m. to 4:30 p.m. in the Parish Hall.

Mrs. Elvie Williams said Grace and a delicious lunch was served by Mrs. Dorothy Jahnke and Mrs. May Urchyshyn.

BERRYMOOR

MRS. D. MARTIN
Correspondent

Mrs. Ira Haight spent a couple of days in Edmonton last week. While there she visited with her son, Dennis, who is a patient in an Edmonton hospital.

Edward Van Ember and Charlie Martin were ardent fishermen this past week. They report quite a good catch of white fish as well as a good sun burn. That March sun seems to pack quite a punch this time of year.

Mrs. Andrew Balzer of Rimbey has been visiting with her sister, Mrs. Gilbert Martin of Berrymoor.

Harry Campbell was an Edmonton visitor during this past week.

Tom Horsman has returned home from his job in northern Alberta.

John Davis spent a few days with his family but has now returned to his job with Commonwealth Drilling Co.

The annual meeting of the Lindale Community Hall Association was held in the Lindale Hall on March 1st. A number of topics were discussed and a new slate of officers were elected.

The Charles Lindahl rink that was entered in the Farmers' Bonspiel at Buck Creek did not get into the first event but did bring home some prizes.

The Alberta Travellers Association "Search for Talent" show was held at Breton on Saturday, March 8th.

Charles Martin has returned to his job in the Yukon after being at home for a few weeks as a result of an injury to his hand. Before he left he became the proud owner of an Arctic Cat snowmobile.

Caravan Group Capping Ceremony

The Caravan group of boys and girls of the Church of God held their capping service Sunday evening in the church with approximately 35 children having earned their caps. Caravan is held each Wednesday afterschool. The Caravan program seeks to help the child develop in body, mind and soul, to be of service to God in the community.

HEALTH UNIT NOTES

WHAT "TWO" IS LIKE

The two-year-old is a "runabout" and, while he no longer wobble, he does take plenty of tumbles. He can pull drawers open, and he loves to take things out and put them back again. By now, he will be eating rather neatly. He likes to undress himself and may do it any time, any place. Probably by two, he talks in short sentences, delights in nursery rhymes and simple stories Pretty generally, he is keeping dry during the day now, but not so likely during the night.

Now he's a very busy man; he imitates every one. What he's doing when he imitates is just not play; it's serious learning.

Sometimes around two, he enters what mothers call "that terrible 'No' stage". He isn't trying to be stubbom; it's just that he's beginning to have the feeling that he's a man and not a mouse so he can dare to say "No" to the big powerful adults around him. It's wise to give him as much freedom as possible. Such sturdy independence is healthy. In spite of his great display of independence, he clings to his mother, knowing how much he needs and loves her. At bedtime he just won't stay down.

Although most talk incessantly, some two-year-olds are still managing comfortably without using words. If such a child is in good health, easy going and friendly, there is no need for concern. Make sure he has enough interesting things to do, gets plenty of warm affection and some play with other children. Actually, children around two really don't play WITH each other; they play BESIDE each other.

Time means nothing to a young child. A lot of dawdling is actually concentration upon the thing most interesting at the moment.

Excerpts from "Up The Years From One To Six".
Department of National Health and Welfare.

HOG BACK FAT PROBING DILEMMA

Many hog producers are buying breeding stock with an advertised back-fat probe of less than one inch but their hogs sold for slaughter still have a carcass back-fat measurement of 3 inches. The live probe is an average, while the carcass value is a total of two measurements. So to convert the live probe measurement to a comparable carcass measurement, multiply the live probe value by 2 and add 0.90.

For example if a live hog probes an average of 0.85 inches of back-fat measurement would be 0.85 x 2 = 1.70 + 0.90 = 2.60 inches.

The 0.90 must be added because the live probe is taken 1½ to 2 inches to the side of the midline (backbone) while the carcass back-fat measurement is taken on the midline. There is more fat directly over the backbone than to the side. The live probe is taken to one side to insure that no injury occurs to the backbone in case of carelessness in probing.

Since the new hog grading system is based on back-fat, it is wise to select hogs with the lowest back-fat. By using the above approximate conversion you can calculate what the carcass back-fat measurement of the hog you are buying will be, which will reflect on your market hogs.

For further information regarding either probing or the conversion of live probe measurements to carcass back-fat measurements, contact your local District Agriculturist.

4-H Members to Attend Rodeo

The meeting of the Moon Lake Beef Club was held on March 14th in the Moon Lake Hall at 8:00 p.m. To open the meeting Debbie Hansen led the pledge. The roll call was "Gain of my Calf". All members and pee-wees were present.

The club decided to attend the rodeo in Edmonton on March 24th. We also plan to invite the Sundance Club to our skating party and weiner roast which is set for March 28th. In the near future the club is to hold a pot luck supper in the Moon Lake Hall. The date will be announced later.

Heather Sinclair gave the Treasurer's report. Karen Tufty gave a very informative report on "The Importance of Record Keeping". Reports to be given in April are by Ralph Johnson on "Trimming the Feet" and Ila Tufty on "Preparing the Switch".

When the meeting was over a delicious lunch was served by Mrs. Cherrington and Mrs. Woloszyn.

1969 RIDEAU 500 -

THE BEAUTIFUL NEW LOOK IN VALUE

MR. and MRS. CLAUDE FREE picking up New F250 Ford Truck.

If Meteor adventure speaks to you, and your budget does too, listen! Because Rideau 500 was built to be your kind of car, it's big in everything except price. Rideau 500 is a Meteor, so you get all the spirit Meteor brings. But you get a lot more than that, more extras than any other car in its class. Like the 124" wheelbase, something you'd expect in a luxury car but get in Rideau 500.

The discovery of Rideau 500 luxury continues inside with tastefully designed fabrics, deluxe interior trim, full door-to-door carpeting and rear seat armrests and ashtrays. It's the kind of value you get in every Meteor.

Members of the league champion F.M.H.S. Warriors are shown here. Back row, left to right, Doug Ibbotson. Keith Sodergren, Ken Dusterhoft, Charles Swap, Don Bouschard and Coach Paul Bradley. Front row, left to right, Terry Jevne, Ron Cameron, Stan Oulton, Larry Mattoon and Pat Kane.

WARRIORS WIN LEAGUE TITLE

The FMHS Warriors and Warburg Trotters locked horns in a two game total point playoff series for the Pembina League High School Basketball title for 1969. The local Warriors came out victorious in both games by scores of 69-56 and 59-47 to win the series by a score of 128 to 103.

All Warriors played well throughout the series with Doug Ibbotson and Ken Dusterhoft leading the team on the scoreboard each hitting for 40 points in the two games. Standouts for Warburg were Ron Stevenson and Cunningham. Both games were fast and exciting and well played and climaxed good seasons for both clubs. The Warriors finish the 1968-69 year with 21 wins and 3 losses, their finest record to date.

D. V. Highlights

BY MRS. EDITH DEBY

Billy Mason, an employee of MacKenzie Angus Farms Ltd. is at the Vermilion School of Agriculture this month taking a specialized course in Animal Husbandry.

Had a most interesting letter from Mrs. Cull last week. She is having a new house build for her in Abbotsford but for the present is living with her daughter, Mrs. Hatton, in an apartment. Mrs. Cull wished to be remembered to all her friends in Drayton Valley.

Mrs. T.C. Landreth and Mrs. Madge Kidd, of Calgary were visitors here on the weekend.

Mrs. Fay Badry, of Donalds, is visiting her sister, Mrs. Margaret Allen, in Violet Grove.

"Granny" Landers, beloved matriarch of the Allen Landers Clan, celebrated her 83rd birthday in Drayton Valley Hospital on March 5th with a birthday cake and local relatives in attendance. Granny's friends hope that with the coming of spring her health will be greatly improved.

Down at the Violet Grove Community Centre the first Monday of every month is Cadet Night. All other Monday nights are reserved for bingo and are proving quite popular for the club.

Mr. and Mrs. Arthur Look, and small daughter, of Yellowknife, are spending a few days in Violet Grove as the guests of Mrs. Anne Look.

Mrs. Margaret Allen had the misfortune to slip and break her ankle ten days ago. It will be some time before she will be able to dispense with a cast but in the meantime Mrs. Allen says she is suffering no great discomfort.

Mrs. Olga Wiechert's family held a re-union with her last weekend. Present for the occasion were: Helmut, Helen, Terry and Bruce Wiechert, of Edson; Erwin, Blossom and Jerry Wiechert, of Edmonton and Ben and Hilda MacIntyre, of Uranium City. Mr. and Mrs. MacIntyre had just retumed from a month in Hawaii and their beautiful tans were something to envy.

Mr. and Mrs. Clarence Dunington were in Castor on March 1st to attend funeral services for Clarence's life long friend, Mr. Stewart Irving. Mr. Irving's health had not been good for some time.

ENTWISTLE NEWS

MRS. E. OLIVER
Correspondent

The Home and School Bazaar will be held on the end of April or the beginning of May. The exact date will be announced later.

The Happy Hour Bible Club held a toboggan party on Friday, February 28th. As the weather was very good the party was thoroughly enjoyed by all the children.

Mr. and Mrs. Jack Smith and family are back in Entwistle to take over his mother's farm. We hope they will do well and now Mrs. Jean Smith can take it easy.

Another old timer of our district has passed away after being ill for some time. Mr. Henry Bohnet passed away on March 1st with the funeral being held on March 4th. A large number of relatives, friends and neighbors attended the funersl. Lunch was served by the Ladies of the Royal Purple at the conclusion of the services. Our community mourns his passing and he will always be remembered. Our sympathy is extended to Mrs. Bohnet and the family.

Mrs. Halliday was in Entwistle for the weekend visiting her sons and their families.

Russell Miller has gone to Red Deer to work at the I.G.A. store there.

The Oliver's visited Mr. and Mrs. George Stephenson of Alberta Beach on March 2nd.

For those who are sick we wish them a speedy recovery and this goes to Mrs. Jackie Sanderson who is in the University Hospital, Tiny Jevne and Vi Cherrington who are sick at home. We hope you all will be able to be out soon and enjoy good health once more.

The Annual 4-H Rally which was held on Friday, February 28th in the Evansburg School Auditorium was well attended. All the 4-H clubs in the Stony Plain region competed with the Entwistle Clothing Club winning first prize. The judges were Mrs. Rae Weist, Miss Jenkins, and Mr. George Mann. We wish to thank all those who came to enjoy our 4-H participations.

4-H Club Plans Amateur Night

LYNNE MARTIN Club Reporter

The last regular meeting of the Lindale 4-H Swine Club was held in the home of Nancy Bijou on February 26th. The roll-call for this meeting was "swine diseases" and there were 12 members present.

The club discussed the Amateur Night to be held on March 22nd at Lindale School, and it was decided to use half of the profit for the crippled children's fund. The members also planned to give four cash prizes to the winning contestants.

It was also decided to attend the afternoon performance of the Rodeo on March 29th.

Joe Van De Castle gave a report on U.N.E.S.C.O. Heather Robb and Leslie Horsman gave a report on their trip to the Western Hog Growers Convention which was held in Red Deer. Lynne Martin gave a report on Conservation, she also showed some slides on conservation.

A delicious lunch was served by Mrs. Bijou.

The Carnegie twins, Steven and Michael celebrated their 11th birthday on March 1st. Their birthday date is February 17th but Steven was unable to be home that day as he stays and attends school at the Glenrose hospital in Edmonton. A lovely birthday cake was enjoyed by their Mum and Dad, nieces, nephews and Mr. and Mrs. Vern Benjamin and children all helped make their birthday a happy one.

Another teen-sox-hop was held in the hall for the teenagers on Friday evening. Thanks once again Laura Tufty and Violet Telford for being chaparones.

Several farmers from this area attended the two day "Bacon Hog Clinic" which was held in the Entwistle Hall and sponsored by the Entwistle A.L.C. Co-op Buying Station.

Mr. and Mrs. Otto Hansen and family motored to Edmonton on Sunday to visit with Mr. Herb Hansen and boys.

A supper for the old timers, 65 years and over of the Moon Lake District is planned for March 17th. Invitations have been sent out so we hope everyone will be able to come, enjoy supper and above all have a real old timers visit.

I know we all enjoy reading the activities that go on in the community, so if you have any news please phone 727-2262.
